

Arlene C. Pepp, Vice President and International Portfolio Manager, Tishman International Companies

Arlene C. Pepp joined Tishman in 1970 to work in the leasing department. The majority of her professional career has been with Tishman including as a vice president of leasing for Tishman West Management Company in Los Angeles, responsible for the marketing and leasing of more than three million square feet of office and retail space.

In 1989, Arlene relocated and became Senior Vice President with The Abby Company overseeing the company's USA portfolio for two years. Prior to that, she was a vice president of business development for Kennedy Wilson for three years focused on large commercial and multi-tenant asset sales.

She rejoined Tishman International Company in 1997 to oversee the USA management and leasing activities for the portfolio nationwide. Among her current responsibilities are the acquisition and finance of new properties in the United States which include market research, financial analysis including purchase and sale negotiations. She is responsible for the supervision of the leasing activity for Sofia Airport Center in Sofia, Bulgaria. Mrs. Pepp is a graduate of Mount St. Mary's College in Los Angeles and holds degrees in Business and Marketing. She is a licensed California real estate broker and has been specializing in commercial real estate for more than 30 years. Currently, Arlene is enrolled in the prestigious CCIM program and on track to receive her certification in 2013.

Arlene is a charter member of Women in Commercial Real Estate in Los Angeles and spearheaded the merger of local state charters into what is now Commercial Real Estate Women (CREW). She has been involved with Women in Business and has been an organizer of major fundraising events for the YMCA Childcare Program.
