ASSET MANAGER – TISHMAN ASSET MANAGEMENT COMPANY LIMITED

TISHMAN INTERNATIONAL COMPANIES

Chris joined Tishman Asset Management Co. Ltd. in April 2006.

He graduated with an honours degree in Estate Management in 1986 and joined Gooch & Wagstaff. He qualified as a Chartered Surveyor in 1988.

In 1988 Chris joined Royal Insurance Asset Management and, when Royal and Sun Alliance merged in 1996, became Head of Retail with responsibility for the strategic direction, asset management and investment activity of two major Life Funds with a retail content of £1bn.

In 2002 Chris joined ISIS Property Asset Management as Head of Shopping Centres. He was responsible for thirteen major retail assets, advising on all aspects of investment an asset management.

Chris joined F&C Asset Management in 2004, becoming the Fund Manager for three Life Funds and two unlisted Funds with a combined value of £1.5 Bn.

At Tishman Asset Management, Chris is responsible for a single asset off-shore City of London Office Fund owned by a consortium of investors ranging from institutions to high net worth individuals. He also acts as Property Investment Adviser to a private Eastern European property fund working closely with local staff and consultants.

In both cases Chris liaises directly with investors, borrowers, tenants and consultants, and produces a comprehensive quarterly client report. Chris undertakes strategic property asset management to ensure performance is maximised.

In 2006 he was involved with a market leading property securitisation (CMBS) which refinanced £460m of debt.
