

Malinka Marinkina – Property Manager

Malinka Marinkina is a graduate of the University of National and World Economy, Sofia, Bulgaria and a CPM candidate.

She joined Tishman Management Company in 2006 and is currently managing the Logistics Center consisting of 28 000 sq.m. of warehouse and office space, part of the Sofia Airport Center project.

As a property manager Malinka Marinkina is directly responsible for the tenant liaison, enforcing leases, setting the project policies and procedures manuals, maintenance contracts specifications, operating budgets and cost management.
