

*Mark Hunter*

*FINANCIAL DIRECTOR – UK AND EUROPE*

*TISHMAN INTERNATIONAL COMPANIES*

---

Mark joined Tishman in 1993 and is based in the London office.

He was educated at Woolverstone Hall in Ipswich, Suffolk

His position covers a wide range of accounting functions for the group. He is responsible for setting project budgets, providing financial analysis, dealing with bank/lender drawdowns, modelling cash flows on development and investment properties both in the UK and Europe. He liaises closely with trustees, tax advisors, auditors, legal teams, agents and banks.

He was actively involved in producing cash flows and forecasting returns for a recent £460m securitisation of a single asset fund and supplies the financial data and cash flows for the quarterly client report.

Between 1987 and 1992 he worked for Skillion plc, a London based property investment and management company, as group accountant and associate director. He was responsible for all accounting functions of 17 business and self storage centres throughout the UK. During his time at Skillion he wrote the specification, implemented and trained staff for a bespoke on site property management system with direct links to the London office systems.

Between 1992 and 1993 Mark was a consultant to Pentagon Limited, part of LET Group. His role was training staff on software that Pentagon had licensed from him, he also prepared monthly accounts and reports.
