STOICHKOVA JOINS TISHMAN INTERNATIONAL
Experienced Broker to Lease Up Sofia Airport Center

(SOFIA, BULGARIA – April 19, 2011) – Los Angeles-based Tishman International Companies, a leading international commercial real estate development and management company, has hired Ms. Olga Stoichkova as the new Leasing Manager for Sofia Airport Center (SAC), announced Arlene Pepp, Vice President and International Portfolio Manager for Tishman International.

In her new position, Ms. Stoichkova will work closely with the brokerage community identifying prospective tenants to lease space at SAC for both the Logistics and the Class A office space. With her vast industry knowledge and established contacts, she will actively track the market and identify new trends. In addition to handling all lease negotiations, her responsibilities include representing Tishman International at industry events, conferences and presentations. Ms. Stoichkova will also be involved with the marketing for the project.

Prior to joining Tishman, Ms. Stoichkova was a chief leasing consultant at Forton International associate partner of Cushman & Wakefield and, before that, was in charge of office and industrial space at EltaConsult for CBRE. She holds a masters degree in geography from Sofia University St. Kliment Ohridski and she has attended the Foreign Language High School – Vidin.

“We are pleased to have Olga join our team and we’re looking forward to working with her. Her industry experience will prove invaluable as we continue to lease up our project”, said Ms. Pepp. SAC, a joint project of Tishman International and GE Real Estate, has successfully pioneered the use of green design in the first LEED-certified commercial office building in Bulgaria. Energy efficient buildings that offer lower communal expenses for electricity, gas and water, and reduced operating costs, such as SAC, offer a competitive advantage for tenants who will benefit from these reduced operating costs.

SAC’s design has a planned 165,000 square meters of high-tech commercial space, including Class A offices and prime logistics space with state-of-the-art security and safety systems, amidst

a lush landscape campus with a central lake, green areas and winter gardens. An international hotel with dining, recreational, and conference facilities is also planned as part of the project.
